

AIRPORT MASTER PLAN Final Report

February 2017

Durango-La Plata County Airport

The preparation of this document has been supported, in part, through the Airport Improvement Program financial assistance from the Federal Aviation Administration (Project Number AIP No. 3-08-0030-48, Airport Master Plan) as provided under Title 49 U.S.C., Section 47104. The contents do not necessarily reflect the official views or policy of the FAA.

Acceptance of this Airport Layout Plan by the FAA does not in any way constitute a commitment on the part of the United States to participate in any development depicted therein nor does it indicate that the proposed development is environmentally acceptable or would have justification in accordance with appropriate public laws.
