

Table of Contents

1.0	Study Introduction & Goals	1-1
1.1	Master Plan Purpose and Objectives	1-1
1.2	Master Plan Study Elements	1-2
1.3	Overview of Airport Issues and Concerns.....	1-3
1.4	Master Plan Communication and Coordination	1-4
2.0	Inventory	2-1
2.1	Airport Overview.....	2-1
2.2	Airport History	2-1
2.3	Existing Documents.....	2-3
2.4	Acquire Aerial Imagery and Base Mapping.....	2-5
2.5	Existing Conditions	2-7
2.6	Environmental Inventory & Data Collection	2-20
2.7	Land Use Plan.....	2-29
2.8	Demographics and Socioeconomic Analysis	2-31
3.0	Aviation Activity & Forecasts	3-1
3.1	Introduction	3-1
3.2	Aviation Industry Trends.....	3-3
3.3	Historical Aviation Activity	3-11
3.4	Current Aviation Activity at KNB.....	3-15
3.5	Previous Aviation Activity Projections	3-19
3.6	Activity Forecast Periods.....	3-21
3.7	Forecast Scenarios for KNB	3-21
3.8	Preferred Aircraft Activity Projection	3-22
3.9	Comparison Between Recommended Forecast and FAA TAF	3-24
3.10	Future Critical Design Aircraft, Airport Reference Code	3-25

**Kanab Municipal Airport
2016 Airport Master Plan**

4.0	Demand-Capacity Analysis and Airport Facility Requirements	4-1
4.1	Introduction	4-1
4.2	Airside Facility Requirements	4-4
4.3	Landside Facility Requirements	4-20
4.4	Non-Aeronautical Development	4-23
4.5	Summary of Recommendations.....	4-1
5.0	Alternatives Analysis	5-1
5.1	Introduction	5-1
5.2	Preferred Alternatives.....	5-4
6.0	Airport Financial Plan	6-1
6.1	Introduction	6-1
6.2	Airport Capital Improvement Plan (CIP)	6-2
6.3	Airport Development Plan	6-9
6.4	Airport Leases, Rates, and Charges.....	6-9
6.5	Revenue Enhancement Options	6-15
6.6	Minimum Standards.....	6-17
6.7	Summary and Conclusions	6-19
7.0	Airport Recycling, Reuse, and Waste Reduction Plan	7-1
7.1	Introduction	7-1
7.2	Airport Description and Background	7-1
7.3	Existing Waste Sources	7-2
7.4	Local Recycling and Waste Management Programs.....	7-2
7.5	Overview of Airport Recycling, Reuse, and Waste Management.....	7-3
8.0	Airport Layout Plan Drawing Set	8-1
8.1	Introduction	8-1
8.2	Airport Layout Plan Drawing Set.....	8-1
